# The Sit

👁 14 ✓ 0 ★ 1

## Chapter 1 by 2fab4u

As you know humans tend to sit in order to rest for a few minutes here and there, but what you don't know is that sitting has more uses than that.

For example, when a person sits they become harder to move. Why do you think I used this for the sake of protesting?

I am John Finnegan a sixteen year old regular ole Joe that weighs at a staggering 235 pounds and is six foot five. When I sit down chairs squeak and have even broke in the past. People make fun of me because of this but they are all a bunch of rich trash that buy their lives from chain stores.

But my big sit is about to change everything...
